

“We’re making  
**more money**  
since replacing our  
old conveyor with  
the **Autobrite™**  
**dual belt**  
**system.**”

## Creating Customer Loyalty With The Dual Belt Experience

AutoBrite™’s dual belt system (DBS) creates an exceptional customer experience increasing your throughput and driving up your profits. From a mini-express to a full length tunnel, the dual belt system (DBS) is designed to meet your car wash goals.

Our unique technology allows the Dual Belt System (DBS) to work with any wash anywhere.

Simple to install, simple to maintain, simple to operate, simple for your customers to use, the AutoBrite™ dual belt system (DBS) will simplify your life.

Call us when you are ready to simplify your life and roll in the profits.

- ★ Faster throughput means more profits
- ★ Create a first class customer experience
- ★ Simple to install, maintain, operate, and use
- ★ Wash dully’s and low profile vehicles the others can’t
- ★ Roll in the profits with an AutoBrite Dual Belt System (DBS)
