

PREMIUM POWDERS

The AutoBrite Line of Car Wash Detergents

For over 50 years, AutoBrite™ has been making Premium Powders to clean the toughest jobs other cleaners can't touch. Using time tested, powerful and high-quality cleaning agents, our powders are ready for the toughest jobs, while being easy to handle at the same time.

S.H.D (SUPER HEAVY DUTY)

Our flagship powder is designed to provide the ultimate clean for all car washes, including self service, in-bay automatics and tunnels.

GREASE CUTTER

The name speaks for itself. Made for those nasty tire and wheels, it's so powerful even filthy engines are no match.

PURPLE PLUS

This pre-soak means business. Made with grime busting in mind. Use it with its pal, S.H.D., for a knock-out punch to car dirt and filth.

POWER WASH

Leave your drives and building looking clean and fresh every time you use it. Made to take on the dirt, grease, soot and grime and leave your facilities looking like new.
