SHD Active Ingredients Provide The Ultimate Clean

Do not take chances. Get your customer's cars the cleanest with the penetrating and high sudsing power of Super Heavy-Duty (SHD) detergent. Engineered to provide the ultimate clean for all car washes, including self service, in-bay automatics and tunnels.

In addition to being the most effective and reliable car wash detergent on the market for decades, SHD is easy to use. The automatic soap maker creates a perfect and consistent car wash, keeping customers coming back for more.

WHAT CAR WASH OWNERS ARE SAYING

“I’ve been using SHD for over 17 years. I’ve tried others and I’ve lost customers. They always come back when I use SHD. **SHD is the Best. It makes me money.**”

Andy Herrera, Main Street Car Wash, Schertz Texas (Pictured to left)

“We started using SHD in 1972 in our seven car washes. We tried others but **none have the cleaning power of SHD. Our customers love it, it’s cost effective, makes me money, so we’ve never looked back.**”

Bruce Krahn, Krahn Car Washes, San Antonio, Texas

“I started using SHD in the 1980’s. **The quality is unrivaled, and my customers love the clean car.**” (translation)

Jesus Perez, Ciudad Acuna, Coahuila, Mexico

“I use SHD in all my washes, self-service, automatics and my two Express Tunnels. **It’s the best and most versatile car wash product on the market**”
